### REPORT

The Department of Malayalam at Paramekkavu College of Arts and Science conducted a Changambuzha Day celebration on October 10<sup>th</sup> on the college campus. All students of the department attended the seminar. The program began with a prayer led by students from the Third Semester B.com cooperation student.

Smt. Limitha C. M. and Bindu A.B the programme coordinators and Assistant Professors, were present, along with Smt. Limitha C.M Dept.of Malayalam, who delivered the welcome speech and introduced the session to the audience. Prasanth Balakrishnan, Administrator of Paramekkavu Arts and Science College, delivered the presidential address. His opening remarks set a positive tone for the event, emphasizing the importance of the seminar topics.

The programme was inaugurated by Dr. (Capt.) Suseela Menon R, Principal of Paramekkavu College.

It sounds like you're describing a series of events or activities that took place on October 10<sup>th</sup>, likely as part of a cultural or academic celebration. An engaging interview with M.N. Karassery, enhanced by artistic visuals that complemented the discussion. Anna Mariya, a third-semester BCom student, performed a song based on the poetry of Malayalam poet Changambuzha, capturing the essence of his work. Second-semester BCom Finance students performed a dance interpretation of Changambuzha's poetry, bringing the literature to life through movement essay. An essay competition on the theme of 'enduring love and change', with Narayanan, a BA English student, winning first prize for his insightful.

These events seem to be part of a cultural celebration or academic program that combines literature, music, dance, and creative writing, celebrating the works and themes of Changambuzha and other cultural elements.

The seminar series proved to be a valuable experience for the degree students and successfully achieved its objective of fostering innovative and creative thinking among the participants. The sessions were highly informative and well-received by all.
