REPORT

The Department of Malayalam at Paramekkavu College of Arts and Science conducted Reading Day on June 19th on the college campus. All students of the department attended the talk. The program began with a prayer led by students from the Second semester BA English Language and Literature. Smt. Bindu T. and Smt. Limitha C. M., the programme coordinators and Assistant Professors, were present, along with Smt. Ushadevi K., Head of the Department of English, who delivered the welcome speech and introduced the session to the audience. Prasanth Balakrishnan, Administrator of Paramekkavu Arts and Science College, delivered the presidential address. His opening remarks set a positive tone for the event, emphasizing the importance of the seminar topics.

The Programme was inaugurated by Dr. (Capt.) Suseela Menon R, Principal of Paramekkavu College.

On June 19th, a talk on ‘The Importance of reading’ was delivered by Vidya M V, Assistant Professor of Malayalam at St. Joseph College, Irinjalakuda. The resource person spoke about her personal experiences with reading books, emphasizing the growing issue of reading habits among the younger generation. She discussed how the current trend of limited reading is negatively impacting the mental strength of children. According to her, this decline in reading contributes to the weakening of cognitive abilities, creativity, and focus, which are essential for mental development. Vidya highlighted the importance of nurturing a habit of reading in children to improve their mental resilience and overall well-being.

The Librarian Smt. Bindu A.B concluded the event with a vote of thanks. Following the talk, an interactive session took place, allowing students to ask questions and clarify any doubts.

The day proved to be an invaluable experience for the degree students, effectively fostering innovative and creative thinking. The sessions were both highly informative and well-received, contributing to the overall success of the event.
