## **Subject: Request for Permission to Conduct World Paper Bag Day Celebrations**

Respected Sir/Madam,

I hope this letter finds you in the best of health and spirits. I am writing to seek your kind permission to conduct the World Paper Bag Day Celebrations at Paramekkavu College of Arts and Science on 12 July 2024. As you may know, World Paper Bag Day is observed to promote eco-friendly alternatives to plastic bags and raise awareness about the importance of using paper bags for a cleaner environment.

The proposed event will include various activities such as:

- **Paper Bag Making Workshops:** Engaging students in hands-on activities to create their own paper bags.
- **Exhibition:** Displaying paper bags made by students, along with information on their environmental impact.

We believe that this initiative will be an excellent opportunity to foster environmental consciousness among our students and the wider community. The event will be conducted in full compliance with the college's rules and regulations, and we assure you that all necessary safety protocols will be followed. We kindly request your permission to hold the celebration, along with your approval for the use of college premises for the event. We are confident that this initiative will greatly benefit our students and contribute to the global cause of environmental sustainability. Looking forward to your positive response.

Yours sincerely,

Kavitha T
